Section 1. Are you interested?

We would like to learn more about insurance issues that might impact IBD. In this module, we ask for information about your experience with health insurance to better understand how this has affected your care.

[Q45002](#) - This module covers health insurance, costs, out-of-pocket expenses, and income levels. If you need to collect information to answer some of the questions, you can leave the module and come back to it later. If you do not have exact numbers, please provide your best estimate. This module will take about 20 minutes of your time.

Would you like to complete the insurance module?

- 1 = Yes
- 2 = No

[Q45004](#) - Did you have health insurance last year that helped to cover visits and/or medications?

- 1 = Yes
 - 2 = No
-

Section 2. Insurance

For this module, we would like you to consider last year (2017), so that we can have a better understanding of medical expenses during a full plan year.

[Q45010](#) - What type of health insurance did you have last year (please check all that apply, as some people have more than one type of insurance):

- Q45010_1 - Medicaid
- Q45010_2 - Medicare
- Q45010_3 - Insurance through employer or private pay
- Q45010_4 - Affordable care act health plan (Obamacare)
- Q45010_5 - Veteran's affairs coverage (VA)
- Q45010_6 - Don't know

[Q45015](#) - Which type(s) of Medicare insurance did you have?

- Q45015_1 - Medicare Advantage
- Q45015_2 - Medicare Part D
- Q45015_3 - Traditional Medicare with supplemental plan
- Q45015_4 - Traditional Medicare without supplemental plan
- Q45015_5 - Don't know

[Q45020](#) - Please select your primary health insurance plan (from last year) from the list below (If you have more than one, please choose the insurance that covers your medications. Commercial insurance includes employer or private pay, group plans, affordable care act plans, and VA insurance.) Please select carefully as there are multiple types of insurance with similar names from each company.
